CONSENT TO PROPOSED OPERATION/PROCEDURE/TREATMENT

• I, [name of patient or person legally entitled to consent for the patient i.e. parent/guardian, Enduring Power of Attorney for personal care and welfare or Welfare Guardian], request and agree that the operation/procedure/treatment described in this request for treatment form be performed on, [name of patient].

• I confirm that I have received a satisfactory explanation of:
  - My/the patient’s condition and the options for treating my/the patient’s condition; and
  - the operation/procedure/treatment agreed to be performed (as set out above) and the risks, benefits, side-effects, costs and expected time within which it will take.

• I have been told about additional procedures which may become necessary during the operation/procedure/treatment as described above. I consent to these procedures/treatment. I understand that any further procedures in addition to the procedures described above will only be carried out if it is necessary to save my/the patient’s life or prevent serious harm to my/the patient’s health. This includes complications that may result in a return to theatre.

• I have been informed that a registrar may be involved in providing elements of the operation/procedure/treatment under the supervision of my admitting specialist. I have been told about the scope of the registrar’s involvement and given an opportunity to ask questions. I consent to the presence and involvement of a registrar under the supervision of my admitting specialist.

• I have been provided with information in relation to the administration of blood or blood products, including the risks, benefits, side effects and any costs associated with receiving blood or blood products.

• I consent to myself/the patient receiving any blood or blood products that may be required: YES ☐ NO ☐

• I agree to anaesthesia/sedation.

• I understand that I may receive Section 29 medications about which I will receive information post-operatively.

• I agree to blood samples being taken and tested should a member of the healthcare team be directly exposed to my/the patient’s blood or other bodily fluids. I understand that I will be informed that a sample has been taken and that the purpose of the sample is to test for transmissible diseases as are considered a significant risk e.g. Hepatitis and HIV. I understand that I will be informed of the results of any tests and any need for further medical referral. I understand I can decline to be informed of the results of the test if I do not want to know the results. The results of these tests are confidential to me, and to the extent it is necessary, the health professionals involved in my care.

• I confirm I have had an opportunity to ask questions about the operation/procedure/treatment, any additional procedures or treatment that may be required, the use of blood or blood products (delete if not applicable), and the taking of a blood sample in the event of exposure to my/the patient’s blood and my questions have been answered to my satisfaction and understanding. I understand that I may seek more information at any time.

ACCESS, USE AND DISCLOSURE OF MY/THE PATIENT’S HEALTH INFORMATION

• I understand Forté Health, the admitting specialist, and any health professional(s) involved in my care may access health information about me that is relevant to my current admission and treatment, which may be held by Forté Health, the admitting specialist, other health professionals, or other healthcare providers.

• I understand that Forté Health and/or any health professionals involved in my care will collect and store information about me, including my health information and images (including photos, videos, or x-rays during my treatment).

• I understand that any information documented, including photographs or recordings taken during my admission will be stored in my clinical file and may be referred to for clinical purposes, and/or audit, and/or teaching, and/or research purposes (delete any that do not apply, or you do not agree to).

• I understand that all information held by Forté Health will be kept securely.

• I am aware that I can request more information and ask any questions about Forté Health’s Privacy Policy and how information is collected, stored, used or disclosed by Forté Health at any time.

• I have read and understood the above information:
